### REPORTS OF STANDING COMMITTEES

Representative Coffman, for the Committee on Energy & Environmental Protection presented a report (Stand. Com. Rep. No. 1000) recommending that S.B. No. 699, SD 2, as amended in HD 1, pass Second Reading and be referred to the Committee on Finance.

Representative B. Oshiro moved that the report of the Committee be adopted, and that S.B. No. 699, SD 2, HD 1, pass Second Reading and be referred to the Committee on Finance, seconded by Representative Evans.

Representative Thielen rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. I'm rising in support of Senate Bill 699, which will help fund the Office of Environmental Quality Control. My only caution would be that not raid that money. Thank you."

Representative Marumoto rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, on the same Standing Committee Report 1000. I have reservations on Senate Bill 699, Senate Draft 2, House Draft 1. It has to do with the Office of Environmental Quality Control. I'm voting with reservations because while this Office does a lot of good work, we are establishing yet another special fund and raising fees to support the operations. These are very expensive fees. I would say up to \$4,000, so it's nothing to sneeze at.

"The DLNR supported the measure as long as the fees are appropriate, whatever that might be. But they had concerns with the budgetary impacts on its Department, on small landowners, and nonprofit partners engaging in conservation projects that do not generate profits and support public benefits.

"According to the City and County of Honolulu, the filing of fees from State and county agencies would severely burden those agencies required to publish many environmental review documents on a regular basis.

"The Budget and Finance Department recognizes the benefit of user's fees, but does not support the creation of a special fund.

"The Land Use Research Foundation believes that this fee is arbitrary and is inconsistent with Chapter 91, the administrative process of establishing fees for services which assures that we have public hearings and input, expert advice and greater transparency. Thank you."

Representative Coffman rose to speak in support of the measure, stating:

"Thank you, Mr. Speaker. In strong support. The Office of Environmental Quality Control has been understaffed for years now and it's basically holding up a lot of development in our State. These are

discretionary services. Organizations requiring this service should pay their fair share. Thank you."

Representative Souki rose to speak in support of the measure with reservations, stating:

"Yes, Mr. Speaker and Members of the House. I wish to speak with some reservations on this measure. I realize the importance of this particular department. However, I'm concerned not only about the special funds and the cost that may come about, and the kind of quasi-autonomy that we're providing for this department.

"My other concern is that we are allowing, making an exception in the hiring of employees to circumvent the civil service law and collective bargaining.

"These are my concerns and I hope that the Committee that this is going to will take a strong, hard look at that. Thank you very much, Members."

Representative Ward rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, with reservations. Just a brief comment. Any fee that goes from zero to \$4,000 deserves another look and examination. Thank you."

Representative Ching rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Fontaine rose in support of the measure with reservations and asked that the remarks of Representative Souki be entered into the Journal as his own, and the Chair "so ordered." (By reference only.)

No. 1244, SD 2, entitled: "A BILL FOR AN ACT RELATING TO BIOFUELS," passed Second Reading and was referred to the Committee on Finance, with Representatives Carroll, McKelvey, Saiki and Wooley being excused.

Representative Thielen rose to speak in opposition to the measure, stating:

"Yes, could the Clerk please cast a no vote for me on using the Hawaii Hurricane Relief Fund? Thank you."

Representative Ward rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, with reservations and a brief comment. Notwithstanding the excitement of being a legislator, it's the difficult times when you're on both sides of the issue, and that's why I'm with reservations. As my colleague just indicated, she is a no vote. I have reservations about even touching that money.

"At the same time I know that this Caucus stood up last Session and said, 'Look, if you're going to have to take it, borrow it. The good thing about this bill is that it's borrowing the money. The other good thing that it's only zero at least at the present. But there's \$117 million in there of which I think there's \$63 being spoken for.

"So the good, the bad, on both sides of it, Mr. Speaker with reservations. And if I had the power of amending it, I would cap a ceiling of \$100 that we would borrow from it. Hopefully this bill will go away. Thank you."

Representative Marumoto rose to speak in support of the measure with reservations, stating:

"Mr. Speaker, reservations on this particular measure. I believe that this Caucus supported borrowing GO funds to bolster this Fund. I guess it was last Session. This way it would preserve our bond rating, rather than just simply raiding the Fund. Thank you, very much."

Representative Ching rose and asked that the Clerk record an aye vote with reservations for her, and the Chair "so ordered."

Representative Belatti rose to speak in support of the measure with reservations, stating:

"Thank you, Mr. Speaker. Please note my reservations and if I could just make one short comment. My reservations are based on the preamble to this bill which one sentence in particular jumps out to me. 'The State's options for balancing the budget have for the most part been exercised.'

"We're well aware that with the newest Council of Revenue projections, with the request by the Governor for other projections, that we most definitely have to consider this bill. But I want us to be clear that we are going to be considering all options as suggested by the preamble in this measure before us. Thank you Mr. Speaker."

### ANNOUNCEMENTS

Representative Ward: "Mr. Speaker, last week I introduced my intern from Japan, Masa Yuasa. And I announced that batteries, I think it was triple A batteries, were selling in Tokyo for \$280. A couple of hours after that he said, 'No they're at \$350 now.' Then he told me on Friday that they're now at \$700. He feels compelled and I want to announce to my colleagues that there is a battery drive that he will be doing. I know some of the Members are doing blankets and other things. This is strictly for batteries. Can you imagine a pack that costs about \$5 here is \$700 in Tokyo? So a battery drive, and a memo that will be going to all Members and I ask that all help out. Thank you."

Representative Ching: "Thank you, Mr. Speaker. On behalf of the Heritage Caucus, Representative Cindy Evans and myself, tomorrow will be the 9th Annual Historic Preservation Awareness Day and it will be from 9:00 a.m. to 12:00 with booths throughout the floor. You'll notice that, and I please encourage all our colleagues to visit them because you'd be surprised that some may be from your district. And with APEC coming in November one of the focuses will be heritage, our strength here in Hawaii. So we really encourage everyone and their office staff to come visit. Thank you."

Representative Cabanilla, for the Committee on Housing requested a waiver of the 48-hour advanced notice requirement for the purpose of hearing HR Nos 267 and 268, and their accompanying HCRs on Wednesday, March 23 at 9:00 a.m. in Conference Room 325.

"HR 267 is urging the State of Hawaii to open up the parking lot of the previous Queen Liliuokalani School to serve as a night-time parking lot for the working homeless.

"HR 268 is urging the State of Hawaii, Department of Economic Development and Tourism to open up the parking lot of the Foreign Trade Zone as a parking lot for the working homeless from 8:00 p.m. to 6:00 a.m."

Representative Awana: "Thank you, Mr. Speaker, just a point of clarification for the good Representative from Hawaii Kai who mentioned that it's \$750 for batteries. If I'm not mistaken, he may have referred to yen versus dollars. Thank you, Mr. Speaker."

Representative Ward: "Mr. Speaker, that was my exact comment back to him and he said, 'No, it's US dollars.' It's crazy that it's taken such a toll in Japan. It's actual dollars, and it's probably climbing as we speak."
